

The background of the advertisement features a large, detailed image of a DMG MORI CTX beta 450 TC machine tool. A large, white, stylized 'MX' logo is centered over the machine. In the foreground, two smaller images show the DMG MORI DMU 60 eVo machine tool. The overall theme is industrial innovation in manufacturing.

OPEN HOUSE BIELEFELD 2025

Dear ladies and gentlemen,

we cordially invite you to the DMG MORI OPEN HOUSE from May 20 to 23, 2025 in Bielefeld!
Experience hands-on technology and discover 21 high-tech machines live in action.

Among other highlights we present you:

- + **NLX 2500 | 700** – The 2nd Generation with CELOS X on SIEMENS
- + **CTX beta 450 TC with loading and unloading system** – 360° technology integration
- + **DMU 60 eVo 2nd Generation** – Highly dynamic 5-axis simultaneous machining

You can also look forward to interactive workshops, exciting technical presentations and live demonstrations. During our **factory tours**, you will experience the assembly of our Turn & Mill machines directly on site - a fascinating look behind the scenes.

Exchange ideas with our experts and develop new strategies for your production together.
We look forward to welcoming you to the **Turn & Mill Competence Center Bielefeld!**

MX - MACHINING TRANSFORMATION

1

PROCESS INTEGRATION

REDUCTION IN THROUGHPUT TIMES WITH IMPROVED PRODUCT QUALITY AT THE SAME TIME

Do you need higher accuracy for your component?

→ Integration of turning, milling, gear cutting or even grinding processes on one machine tool. Experience the **CTX beta 450 TC** and **NTX 500** live.

2

AUTOMATION

24/7 PRODUCTION AND MAXIMUM INCREASE IN SPINDLE RUNNING TIMES

Would you like unmanned production around the clock?

→ Use automation solutions such as the **Robo2Go** with pallet station live on the CLX 450 TC or, for example, the **PH Cell 800** on the DMU 85mB 2nd Gen.

3

DIGITAL TRANSFORMATION

PROCESS RELIABILITY THROUGH SENSOR-BASED SOLUTIONS

Do you want the perfect synergy of process integration and simple operation?

→ With **CELOX X Widgets**, you can visualize technology cycles in parallel with the control system - and optimally support your machine with the MPC (Machine Protection Control).

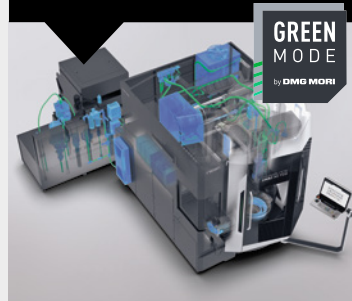

4

GREEN TRANSFORMATION

SUSTAINABLE PRODUCTION WITH REDUCED ENERGY CONSUMPTION

Do you want to significantly reduce your energy requirements in production?

→ Our measures for greater energy efficiency, such as the **adaptive coolant supply** for an energy-efficient machine, support you in this.

WE LOOK FORWARD TO WELCOMING YOU ON SITE!

OPEN HOUSE BIELEFELD

NOTES ON DATA PROTECTION

You are receiving this invite because we, DMG MORI AKTIENGESELLSCHAFT, of Gildemeisterstr. 60, 33689 Bielefeld, Germany, and DMG MORI Global Marketing GmbH, of Antoniusstr. 14, 73249 Wernau, Germany, together "DMG MORI", have you listed as a customer or as having shown an active interest in our products and services and wish to be kept informed about our current events within the DMG MORI Group. We process the following personal information for the purposes of direct advertising: Title, first name and last name, business address including the designation of your employer, business contact information (such as e-mail address, telephone number, fax number, mobile number, position in the company). The legal basis for processing is Art. 6 Sect. 1 lit f of GDPR. There is no contractual or legal obligation to provide the data. You have the right to decline the processing of personal data that relates to you for the purposes of any such advertisement at any time, free of charge and free of adverse effects; this also applies to profiling, to the extent that it is a part of such direct advertising. To do so, just send us an e-mail to: disagree@dmgmori.com or send us a message to the above contact data. If you decline, your personal data will no longer be used for advertising purposes and will be deleted immediately (unless processing for other purposes is permissible). You can find out more information, including comprehensive information about your additional rights and all details related to data processing, at <https://uk.dmgmori.com/data-protection>. The person at DMG MORI responsible for data protection is also available to you through e-mail at responsibility@dmgmori.com.
